Add New Club

In the section, you can add the new club by clicking on the **club list**. Here you can add the new club, and on the right side, you can edit the existing club. For a better result, you can add the Club Icon of **885 x 1900 size**, club Logo **382 x 120 size** & club background Banner image **2500 x 1667 size**, Also you can add the images and videos up to **5MB** & **20MB** respectively against the club by clicking on manage gallery in the **action field** .
