

# News/ News List

In this section, you can **Edit & Delete** the news. Also, you can search the existing news by the **News Title, Choose Club, or Publishing date** of the news.

In the result, if we choose only **Publishing Date** it will show the result from the selecting date to onward.

The screenshot shows the Flex HRMS interface. The top right corner displays the user as 'Super Admin Administrator'. The left sidebar contains a navigation menu with 'News List' highlighted. The main content area is titled 'News' and features a 'Filter By' section with input fields for 'Title', 'Club' (with a dropdown menu), and 'Date', along with a 'Search' button. Below the filter is a table of news items. The first row is highlighted, and its 'Action' column contains 'EDIT' and 'Delete' buttons, which are also highlighted with red boxes and arrows.
